

Dear Raise Up Family,

This letter serves as formal notification of rates for 2022. Raise Up continues to strive in providing the highest quality care and services possible to your family and community at the most economical price possible. As most if not all of you are aware, the global staffing shortages and increase in supply cost, have required us to make a significant rate increase for 2022. We believe that it is important to maintain competitive wages for our current employees along with remaining competitive in the hiring of future employees. **Due to the significant increase, we are offering a parent meeting Tuesday December 7<sup>th</sup> at 5:30 pm to address any questions or concerns.**

Raise Up continues to increase fundraising efforts along with managing operations as efficiently as possible, without compromising safety or quality, to provide care at the most economical rates possible. The current rates are published in the table below. Thank you all for your overwhelming support to help keep rates as low as possible. The closing dates are also listed for the next twelve months.

We continue to offer the SCRIP program to provide a way for families to earn childcare credit. We also continue to do other fundraisers such as Mike's Car Wash and our annual Banquet & Auction in the fall to provide a means for capital improvements as well as helping with operational expenses. If you would like more information about these programs, let me know.

Please let me know if you have questions or concerns.

Thanks,

Missy Freehling, Executive Director

**Parent Meeting - Tuesday December 7<sup>th</sup> at 5:30pm to address questions or concerns.**

**RSVP by signing up at front desk to attend.**
